Pope Francis declared September 1st as the **WORLD DAY OF PRAYER FOR THE CARE OF CREATION**, as the Orthodox Church has done since 1989. **The Season of Creation** is marked throughout the Christian world from 1 September to 4 October (Feast of St. Francis of Assisi) and celebrates the joy of creation as well as encouraging awareness-raising initiatives to protect the natural environment. The Season of Creation has a special significance for the Catholic Church, as highlighted by Pope Francis' encyclical **Laudato Si** in which he writes: "The idea of infinite or unlimited growth, which proves so attractive to economists, financiers and experts in technology ... is based on the lie that there is an infinite supply of the earth's goods, and this leads to the planet being squeezed dry at every limit."

**POPE SAINT GREGORY – Feast Day 3<sup>rd</sup> September** - He is the patron saint of musicians, singers, students, and teachers. Pope Saint Gregory I, also known as the Great, was born around 540 in Rome and he was the Pope of the Catholic Church between 590 and 604 AD. When Gregory was just two years old, the Plague of Justinian (Black Death) swept through the region. The plague was the most severe outbreak of deadly disease the world had ever known and about a third of the population in Italy was wiped out by the disease. Gregory's family was very wealthy and owned estates on the island of Sicily. After Gregory's father had died, Gregory had the family villa in Rome converted into a monastery. As a monk, Gregory was hard and strict. When a monk on his deathbed confessed to stealing three pieces of gold, Gregory ordered he be left to die alone. After the poor monk had died, Gregory ordered his body thrown on a dung heap along with the three coins. Then, in a turn of heart, Gregory offered 30 Masses for the deceased monk.

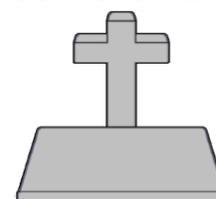

Gregory made clear in a series of writings that he preferred the monastic life. He also referred to himself as a servant of God and was famous for the emphasis he put on missionary work. Pope Gregory made many changes to the Mass, some of which remain today. The position of the *Our Father* in the Mass remains where Pope Gregory placed it.

Pope Gregory was well known for his alms to the poor, and he gave quite generously of the riches donated to the Church by the wealthy. Everything from money to land was given to the poor in some fashion. He ordered his clergy to go out into the streets to find and care for the poor in person. When a famine struck Rome in the 590s, Pope Gregory ordered the Church to use its assets to feed the poor. In this way, he saved thousands of people from

### **BACK TO SCHOOL PRAYER**

*Dear God  
Thank you for the gift of my children.  
Please watch over them as they go back to school, and protect them from negative influences.  
Help them be a light to others, and help them show love, care and respect to their friends and teachers.  
Please protect them from bullies, but if they face one, give them courage to stand up for themselves and others.  
Help them to remember when they are scared or afraid, you are there with them. As much as I love my children, you love them even more and I know you will be watching out for them. Amen*
