WEB OF LIFE. During the month of September, we are celebrating the Season of Creation. We know that our world is currently suffering from a catastrophic loss of bio-diversity, largely caused by a consumerist culture. God's creatures are disappearing from the Earth at a rate we can scarcely comprehend. Insects, mammals, trees, plants and creatures are becoming extinct. We pray that this decline may end and we acknowledge that we are part of a complex, delicate and interdependent web of life, created by God. Today's Gospel invites us to let go of the attachments in our lives which contribute to this destruction. Let us try to live more simply and sustainably, and to encourage others to do the same. We are called to examine our relationship with material things and walk more gently on this earth.

Suggestion for the week: *Can you remove single use plastics from your life? Buy a reusable coffee cup. Say no to plastic straws and food wrapping.*

It has become the custom of Pope Francis to release a video message detailing his prayer intention for each month. **IN HIS PRAYER INTENTION FOR THE MONTH OF SEPTEMBER 2019,** Pope Francis invites us to pray for the protection of the world's seas and oceans. *"Oceans contain the bulk of our planet's water supply, and also most of the immense variety of living creatures, many of them are threatened for various reasons. Creation is a project of love given by God to humanity. Our solidarity with the "common home" is born from our faith. Let us pray this month that politicians, scientists and economists work together to protect the world's seas and oceans."*

JUST FOR TODAY

Just for today I will try to live through this day only and not tackle my whole life problems at once.....

Just for today I will be happy. Most folks are as happy as they make up their minds to be.....

Just for today I will adjust myself to what is, and not try to adjust everything to my own desires.....

Just for today I will exercise my soul in three ways; I will do somebody a good turn and not get found out; if anybody knows of it, it will not count.....

Just for today I will not criticise one bit, not find fault with anything and not try to improve anybody except myself.....

Just for today I will save myself from two pests: hurry and indecision.....

Just for today I will have a quiet half hour all by myself and relax.....

Just for today I will be unafraid..... and to believe that as I give to the world, so the world will give to me. (Unknown)
