#### Prayer to Saint Brigid.

You were a woman of peace. You brought harmony where there was conflict. You brought light into darkness. You brought hope to the downcast. May the mantle of your peace cover those who are troubled and anxious, and may peace be firmly rooted in our hearts and in our world. Inspire us to act justly and to reverence all God has made. Brigid you were a voice for the wounded and weary. Strengthen what is weak within us. Calm us into a quietness that heals and listens. May we grow each day into greater wholeness in mind, body and spirit. Amen

#### The Pope's intention for February: For the terminally ill:

We pray that those with a terminal illness, and their families, receive the necessary physical and spiritual care and accompaniment.
