The Guardian Angel. Our angel is not only with us; he also sees God the Father. He is in a relationship with him. He is the daily bridge; from the moment we arise to the moment we go to bed. He accompanies us and is a link between us and God the Father. The angel is the daily gateway to transcendence, to the encounter with the Father: that is, the angel helps me to go forward because he looks upon the Father, and he knows the way. Let us not forget these companions along the journey. *Pope Francis October 2018*

Angel of God, my guardian dear,

To whom God's love commits me here,

Ever this day be at my side

To light and guard, to rule and guide.

Amen
