Take Courage! Christ Walks With You. *World Youth Day 2026 – Feast of Christ the King*
This weekend, as we celebrate the Feast of Christ the King, the Church throughout the world also marks World Youth Day. It is a special opportunity to celebrate the faith, enthusiasm and gifts of young people, and to remind them of the important place they hold within the life and mission of the Church. In his message for this year's World Youth Day, Pope Leo XIV takes as his theme the words of Jesus: **"Take courage! I have overcome the world" (John 16:33).** These words offer a message of hope in a world where many young people face uncertainty, pressure and anxiety about the future. It can be difficult to find the courage to stand by our beliefs, to make good choices or simply to be ourselves when so many voices compete for our attention. As parish communities, we all have a part to play. May we continue to welcome, encourage and accompany our young people, recognising that they are not simply the Church of tomorrow, but an essential and valued part of the Church today. **Take courage. Christ is with us, and in Him our hope is renewed.**
