Six little stories with lots of meaning.

- (1) Once all villagers decided to pray for rain. On the day of prayer, all the people gathered but only one boy came with an umbrella. That is faith.
- (2) When you throw babies in the air, they laugh because they know you will catch them. That is trust.
- (3) Every night we go to bed without any assurance of being alive the next morning, but still we set the alarms to wake up. That is hope.
- (4) We plan big things for tomorrow in spite of zero knowledge of the future. That is confidence.
- (5) We see the world suffering, but still we get married and have children. That is love.
- (6) On an old man's shirt was written a sentence "I am not 80 years old; I am sweet 16 with 64 years of experience". That is attitude. *Have a happy day and live your life like these six stories. Remember – Good friends are the rare jewels of life, difficult to find and impossible to replace.*
