**The Season of Creation** began on 1 September and continues to the Feast of St Francis of Assisi on 4 October. It has a special significance for the Catholic Church and celebrates the joy of creation as well as encouraging awareness-raising initiatives to protect the natural environment. This year's theme is "To Hope and Act with Creation." For further details visit [Season of Creation 2024 | Irish Catholic Bishops' Conference](#).

Let us pray, all powerful God, you are present in the universe and in the smallest of your creatures.

You embrace with your tenderness all that exists.

Pour out upon us the power of your love, that we may protect life and beauty.

Fill us with your peace, that we may live as brothers and sisters, harming no one.

- From the *Laudato Si'* prayer by Pope Francis.

**From the writings of St John Chrysostom (Feast 13<sup>th</sup> September)** *If you cannot find Christ in the beggar at the Church door you will not find him in the Chalice. Prayer is the place of refuge for every worry, a foundation for cheerfulness, a source of constant happiness, a protection against sadness. Happiness can only be achieved by looking inward and learning to enjoy whatever life has, and this requires transforming greed into gratitude. When we teach our children to be good, to be gentle and forgiving, to be generous, to love their fellow human beings, to regard this present age as nothing, we instil virtue in their souls and reveal the image of God within them. Why not learn to enjoy the little things, there are so many of them.*
