The Old is Gold

Another year has passed
And we're all a little older
Last summer felt hotter
Now winter seems colder.

There was a time not long ago
When life was quite a blast
Now I fully understand
About "living in the past".

We used to go out dining
And couldn't get our fill.
Now we ask for takeaway
Come home and take a pill.

We used to often travel
To places near and far
Now we get restless syndrome
From riding in the car.

That, my friend is how life is
And now my tale is told.
So, enjoy each day and live it up
Before you get too old!
