You never know: "You never know what's waiting at the turn of the road. You don't know what you'll see beyond the bend.....keep that thought in mind though rough the path and hard the load. Round the corner you may find a friend. That's what makes life so exciting. One can never say ...what tomorrow's turn may bring in view.....just as you are feeling that its humdrum all the wayanother path can open out for you". P Stronge

Wellbeing and Catholic Schools: Catholic schools create environments that foster resilience, hope, and moral integrity, ensuring students thrive not just academically but as whole individuals. As part of this, the Council for Catechetics and the Council for Education of the Irish Episcopal Conference have published a new document called *Wellbeing and the Catholic School* for primary and post-primary Catholic Schools across Ireland. This resource offers practical insights for school leaders, teachers, and parents to embed a Catholic vision of wellbeing into policies, curriculum, and daily practices. The document is available online here: <https://catholiceducation.ie/wellbeing-resources/> Hard copies are being distributed to schools and further supports are being planned.
